

Loka. June 20

Office of State Engineer

Gentlemen: In reply to your letter of June 11- relative to the appointment of Mr. Marchant Commission for the Sand Wash. I will say, that we discussed this matter with the Dry Gulch. Ls. Co. and they were in favor of Mr. Marchant's appointment.

Mr. Smith president of their Co informs me that he called at the State Engineer's office and requested his appointment. You will no doubt recall his visit.

Mr. Marchant also said that he would write you the information you desired. We hope you will make this appointment.
Respectfully,
Sand Wash Ls. Co per Walter Baird
